Registration for Belgian Toll Authorisation

I hereby instruct and authorise DKV to register my company for the Belgian Toll using the AGES KESS System and the Road User portal from Satellic N.V. in accordance with the conditions below.

I authorise DKV to send the data provided to Satellic N.V. and to register me with Satellic N.V. for the Belgian Toll. I assure that the data provided is complete and correct.

I acknowledge that DKV will store, process and use my data for the purpose of invoicing the receivables from the Belgian Toll business relationship.

I agree that only DKV has access by means of a password in the first month from my registration for the toll in Belgium with Satellic N.V. to the account set up for me with Satellic N.V.
