Instructions for the prevention of card misuse:

- » Always carry the DKV CARD on your person. Never leave it in the vehicle.
- » Never allow the PIN or the card to get into the hands of third parties.
- » When you enter your PIN, make sure other people cannot see it.
- » Do not store your PIN on your mobile phone or in your wallet. Never write the PIN on the card. The best way is to learn your PIN by heart.

If you lose the DKV CARD or you suspect it has been misused, please have it blocked immediately by telephoning DKV at **00800 365 24 365** and informing the service line staff.

Please be aware that the above DKV CARD and PIN are assigned to you personally. If this card is misused, we will give your name as the card holder to the investigating authorities and seek to claim compensation for any losses from you.

I have received the above named DKV CARD and the personal PIN. I have also read and acknowledged these instructions.
