

You drive, we care.

What do the various signs mean?

Automatic logging of DKV Box

All categories of vehicles accepted

Lane reserved for category 4 vehicles

Only suitable for class 4 vehicles!

All vehicles using lane 4 automatically pay the tariff for category 4 vehicles
At these toll points, you can't file a complaint about incorrect classification

Lane for manual payment or automatic logging of DKV Box

All methods of payment accepted for all classes of vehicles

Lane for manual payment

All methods of payment accepted incl. **DKV Box** for class 3 and class 4 vehicles.
The DKV Box is checked manually by toll plaza personnel!

Tempo 30 lanes

In 2011, "Tempo 30" lanes were introduced at French toll plazas.
These lanes enable vehicles **to drive through without stopping at a speed of 30 km/h**
Depending on the toll operator or toll plaza, these lanes are also suitable for use by trucks.
