HGV Levy Payment Guide

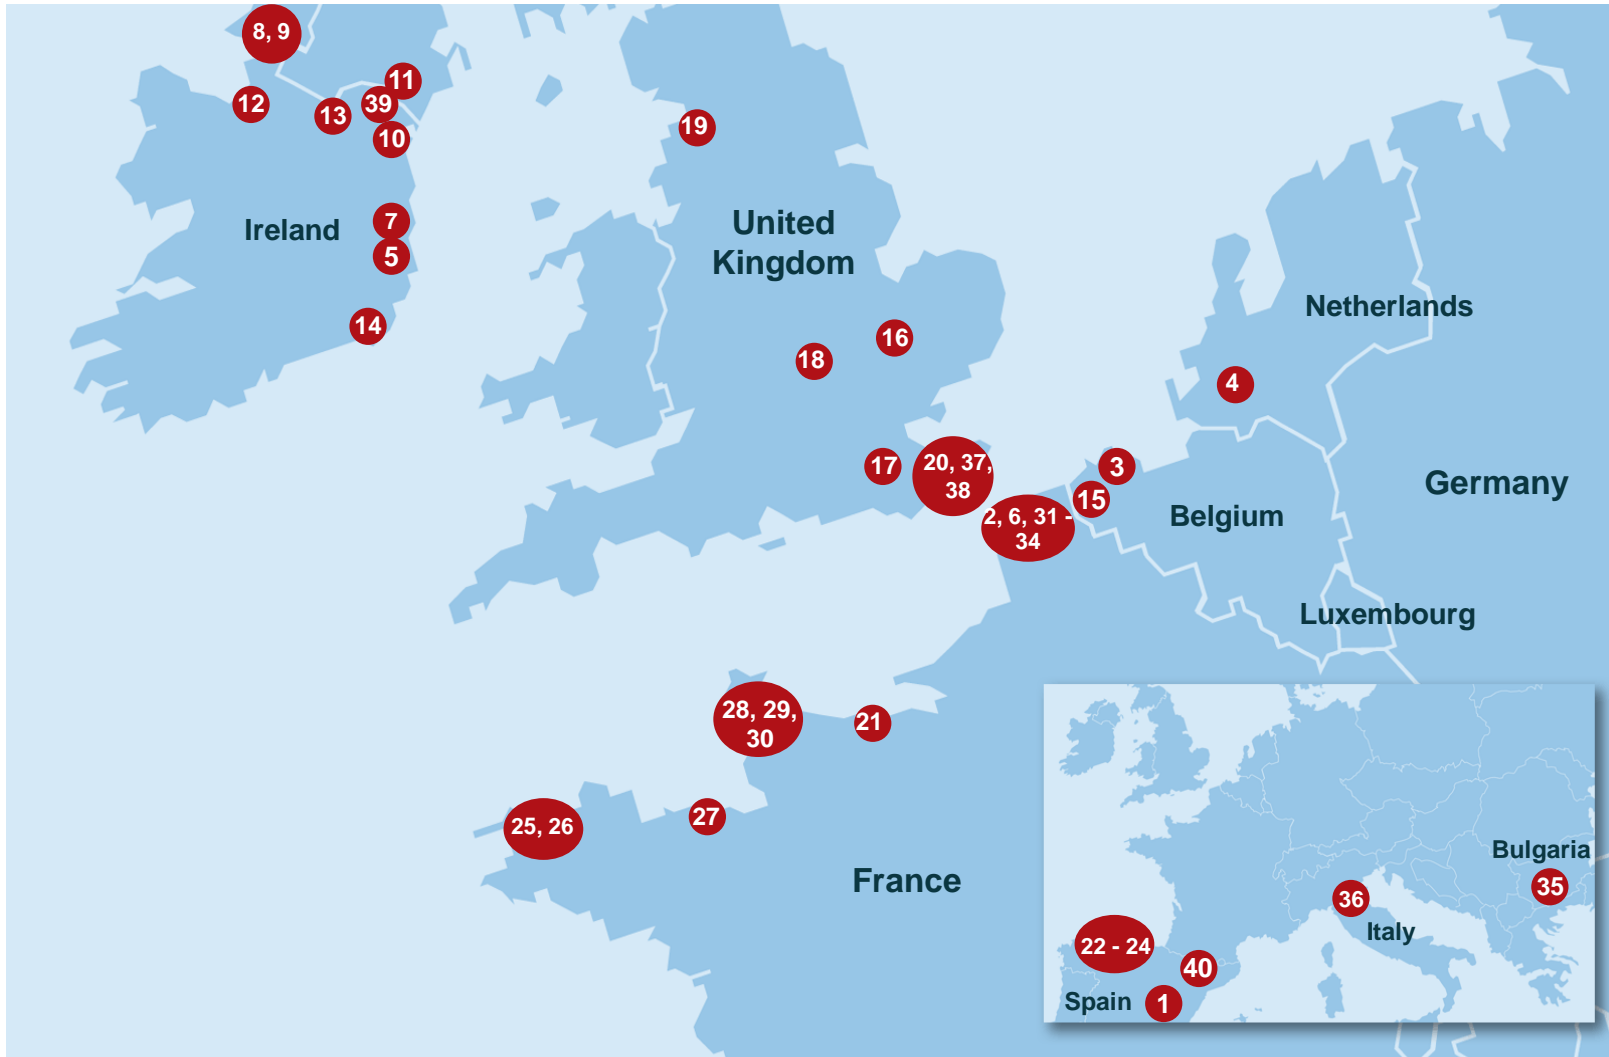

HGV Levy Pay Points

IMPORTANT: You **MUST** have a valid HGV levy for your vehicle **before** it uses UK roads.

The levy can be paid online, at a number of official Point of Sale (PoS) locations, at driver self-serve facilities offered by some operators and through a number of booking agents.

This document will be updated regularly with details of new levy Pay Points as official PoS contracts are finalised and / or operators and booking agents confirm details of their services. We are happy to include details of any other operators and booking agents choosing to offer support for paying the levy that contact us.

HGV Levy Pay Points

they will accept card and **cash** payments and will issue the driver with a receipt.
