Order

DKV BOX REETS (AT, DK, SE)

..... Number

(DKV BOX for toll charges in Austria + Denmark
Øresund bridge / Storebælt bridge)

Vehicle data

Please enclose copies of the vehicle registration certificate and, if applicable, proof of the emission class with your order.

Excel document

Instead of using the table below, you can click on the symbol to enter the data in Excel.

Vehicle registration number	Nationality	Type of vehicle	Number of axles	Is there a possibility for a semi-trailer/trailer?		Euronorm (V.9)	Technically permissible	Permissible	Tare weight in kg (G)	length (18)
		Bus/coach Lorry	(separate tractor: number of axles of the tractor only)	Yes	No		total weight in kg (F.1)	total weight in kg (F.2)		

Passage list

Alongside your DKV customer invoice, we also provide you with evidence of your toll transactions on individual journeys (a passage list). You will generally receive your DKV invoice and the passage list in the form or file format that you selected when applying for your DKV CARD. For better analysis options, you can also request to receive the passage list **separately** in electronic format (please mark/specify below):

- » Submission options by DFÜ by email
- » File format CSV ASCII (.txt) ASCII (.bz)

With this order form I/we has/have received the DKV guidelines for the application for and use of telematic recording devices (DKV BOX) and DKV's Standard Terms and Conditions and acknowledge their validity as an important part of this contractual relationship.
