DKV Card acceptance points

DKV Euro Service The partner for your success

With more than 54,000 acceptance points in over 40 countries, DKV Euro Service is the leading service provider on Europe's roads. Haulage firms and transport companies have been putting their trust and confidence in our fast, reliable and cashless service for about 80 years. We ensure the mobility of about 100,000 satisfied customers, with for over 2 million DKV Cards and DKV Boxes in circulation.

Now benefit as a partner of DKV Euro Service. Become part of the biggest brand-independent service network.

Good reasons to be in partnership with DKV Euro Service:

- » Win new customers
- » Increase fuel sales
- » Boost your shop turnover
- » Widen your range of services
- » 24-hour Service Hotline
- » Support from DKV advertising material
- » Cashless transactions
- » Include your station in the DKV "station finder" and in the DKV smartphone App
- » Use the DKV logo for your own advertising
- » Participate in special marketing campaigns
